

Please Donate to the Bird Sanctuary

**We've made a lot of progress but - we still
have a long way to go.**

We need the following:

- 1. Bird Food - Black Oiled Sunflower Seeds, Finch Blend, good quality bird food mixes and suet cakes. Drop it off at SHCA office.**
- 2. Plant Material - for spring of 2012 we'll need to purchase native plant materials to provide food and shelter for the birds. Donate a plant. Look for our Plant Material Wish List in early March**
- 3. Cash - to help us purchase and install bird feeders, bird houses and for major improvements. Make checks out to the Spruce Hill Trust with "for the Bird Sanctuary" in the notes. Send checks to SHCA to the attention of Anne Froehling**

All proceeds will be used for the bird sanctuary.

Thank you

Call SHCA center (215 349-7825) to arrange a drop off time for bird food or leave it on the doormat of #30 University Mews (SW corner of 45th and Spruce Sts). Put checks through the mail slot at the SHCA center at 257 S. 45th St
